

## Donna Cona Quality Policy

Donna Cona is committed to providing our clients with trained professionals that are the best possible fit for their needs. Our reputation for quality of service and reliability has given our clients the confidence to entrust us with their mission critical problems regardless of scale, or location in Canada.

Whether for short term or long-term project assistance, our sales executives work with the client to define the business need and work collaboratively to find the solution to successfully deliver your project to your satisfaction.

Donna Cona has implemented ISO 9001:2015 as their Quality Management system and is committed to the continual improvement of all processes and services. We comply with all applicable statutory and regulatory requirements.
